

DI
series

Power relay series pursuing reliability and safety

DI1U-H

■ Currently it is used for such purposes

- Industrial equipment, Solar water heater, Factory automation equipment, Automation equipment
- Control panel, Power supply equipment, Molding equipment, Machine tools, Welding machines, Machinery for agriculture
- Commercial equipment, Vending machines, Telecommunications equipment, Disaster prevention equipment, Copiers, Measuring instruments, Medical devices
- Various household appliances
- Ideal for air conditioners

DEC is a professional manufacturer of relays
